

# **DID YOU KNOW**

## **THE SURGERY HAS A PPG**

### **(PATIENT PARTICIPATION GROUP)**

The group is made up from patients and the Surgery Practice Manager.

#### **Our aims are:**

- To help and assist the surgery and other patients where possible to improve on any areas that are felt could be improved on and to bring to the attention of the surgery any points put to ourselves by patients.
- To also bring together groups, and to help form groups, within the general catchment area of the surgery that could help the health and well-being of those on the surgery patient list.

The PPG meet approximately once per month throughout the year and the meeting usually take one and a half to two hours. We are always looking for new members of all age groups. If you feel you would like to become a committee member, or if you would just like to come to a meeting, please contact: **Reception at the surgery or email [admin.miltonsurgery@nhs.net](mailto:admin.miltonsurgery@nhs.net) who will pass your details to the PPG Committee.**
